AUSTO

dal produttore ... from the producer ...

AUSTO è un'azienda leader nella produzione e vendita di fodere e accessori per auto da oltre 20 anni. Detiene, infatti, vari brevetti che Le hanno permesso di distinguersi per originalità e creatività sui migliori mercati nazionali ed internazionali. Ha da qualche tempo diversificato la sua produzione affermandosi anche nel settore dei veicoli industriali, "vestendo" camion e furgoni con coprisedili e tappeti su misura. La precisione e la puntualità nello stilare le liste di applicazione sempre aggiornate seguendo l'evoluzione del mercato e che rappresentano materiale di supporto indispensabile per gli operatori del settore, la posizionano ad un livello superiore rispetto alle concorrenti.

Dotata di attrezzature computerizzate e all'avanguardia per il taglio dei materiali, è in grado di ottenere l'ottimizzazione del prodotto, che viene accuratamente rifinito e confezionato da personale esperto nei laboratori. Un magazzino ben organizzato e rifornito permette di gestire gli ordinativi con rapidità e precisione. È possibile toccare con mano la qualità delle stoffe e la precisione nei particolari, visitando la grande sala mostra all'interno dello stabile, dove si trovano esposte tutte le linee dei prodotti BY ERNEST, e dove il cliente viene seguito con serietà e competenza.

AUSTO is a leading firm in the production and selling of car seat covers and car accessories for more than 20 years. It is in possession of various patented systems that allow it to distinguish itself by its originality and creativity on national and foreign markets. From a short time, it has diversified its production and made a name for itself also in the industrial vehicles field introducing in its range trucks and vans seat covers, made to measure mats and other accessories. The precision and the punctuality in drawing up the application lists, that are always up-to-date following the evolution of the market and that represent the necessary supporting material for the operators in this area, position it at a higher level in comparison with the competitors. It is provided with computerized and recent equipment for the cutting of materials which enable it to optimize the production process. The final product is carefully finished and packed by an expert staff in its own laboratories. A well organized and supplied warehouse allows it to execute orders with quickness and precision. It is possible to see the quality and the precision in details visiting the showroom inside of the factory, where is exhibited the full range of articles "BY ERNEST" and where customers are followed with seriousness and competence.
